

FAMILY LINK™

First In Math® Parental Involvement Component

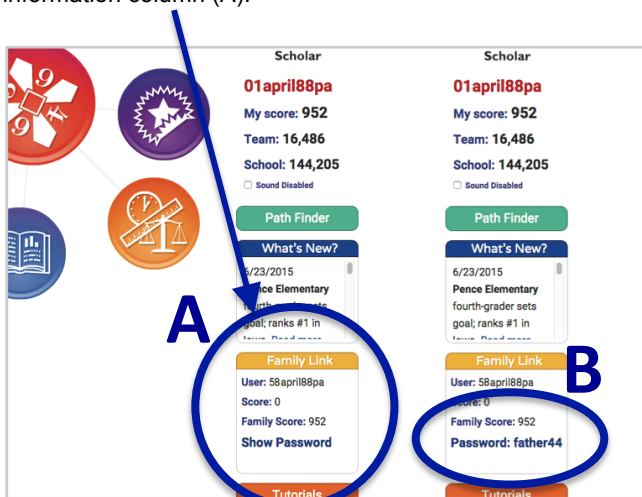

As parents, YOU are the most important influence on your child's attitudes about education. Find a few moments today to show them that mathematics is important, while you have fun together!

Our school is providing family members with access to the **FIRST IN MATH® ONLINE PROGRAM**. Students will be provided with one **FAMILY LINK™** User ID and Password to be given to Mom, Dad or a sibling, so that you and your family can sample this unique, online curriculum supplement.

How to get your Family Link User ID and Password!!

1. When a student earns 500 stickers, a Family Link USER ID will appear on their Player Homepage (displays on the lower, right portion of the page, in the player information column (A).

2. The FL User ID will already be displayed. To obtain the FL Password, move your mouse over the words "show password" and the ID will be revealed (B).

3. The parent/family member can log on any time at www.firstinmath.com and use the site as a student would. The Family Member's sticker count will tally on the student's Player Home Page. A combined "Family Score" total is also shown, that reflects the student's sticker count PLUS the Family Member sticker count. Family Member stickers do not count toward a player's individual Sticker Count or School Ranking.

PARENTS:

Family Link
User ID:

Family Link
Password:

*Go to firstinmath.com,
log on as a family
member with your
FAMILY LINK User ID!*

*Remember, you can
always ask your child
for help if you get stuck!*

*(Family Link™ is only provided
with school subscriptions, and is
